Dear Mr Summers

We are writing in relation to the outcome of investigations conducted in 2016 in relation to you, your property, and your breeding operation.

We confirm that no complaints received by RSPCA were substantiated in relation to you, your animals or their living conditions.

There was insufficient evidence of any animal welfare offence, including tail-docking, to substantiate any offence.

We thank you for your cooperation during this investigation, including your consent for Inspectors to enter your premises and inspect your animals and your facilities used for keeping and breeding animals.

Should you have any questions please feel free to contact our office directly.

Thank you.
